SHORT STORIES FOR MAGAZINES

Luīze Pastore, ilustrējusi Elīna Brasliņa

Mazais kļūst liels

Visi, kas ir mazi, kādu dienu izaug lieli.
No mazmazītiņas sēklas izaug puķe.
No zīles izdīgst ozols.
No olas izšķīlas putns... vai čūska... vai dinozaurš?
Puteklis istabas kaktā saveļas veselā kaudzē netīrumu!
Mazs mākonis uzbriest par lielu lietus mākonī.
Tikai tējkanna vienmēr paliks tējkanna...
tāpat kā citi priekšmeti.

Bet es varu kļūt par visu ko!
Kad izaugšu, varu būt ugunsdzēsēja... māksliniece...
vai daktere...
Vai priekšmetu tulks – es skaidrošu cilvēkiem, ko
dažādas lietas mums mēģina pateikt. Piemēram, tējkanna!

Ko? Tādas profesijas nemaz nav?
Ja vēl nav, tad drīz būs! Tu jau vēl nemaz nezini,
kas tik būs.
Kad es izaugšu, varbūt būs arī mākoņkarotis –
kāds, kurš sastumj negaršīgo brokastu putru mākoņos!
